

Private Pesticide Applicator Training

This will be an opportunity for you to re-certify or become certified for a Private Applicator License.

If you engage in the application of a restricted-use pesticide for the purposes of producing an agricultural commodity on property you or your employer owns, or rent without compensation other than trading of personal services between producers of agricultural commodities you are considered a private applicator.

To RSVP or for more information contact the Extension Office at 573-238-2420

January 28, 2016

6:00 p.m.

Bollinger County Extension Office

302 Union Street

Marble Hill, MO 63764

Please RSVP by Jan. 26

The session will last for approximately 2 hours.

ATTENTION!

As a new requirement, newly certifying or recertifying applicators are required to have a up-to-date training manual prior to becoming certified and licensed. The **Private Pesticide Applicator Reference Manual (Manual M87)** may be purchased by the applicator prior to or during the training session. The manual will cost \$12 to applicators who wish to gain certification.

Manuals may be purchased from the Bollinger County Extension Center located at 302 Union Street in Marble Hill or may be purchased at the beginning of training on January 28th.
