

## 2015 Camden County Plat Book Now Available

Who owns Camden County? Thousands of people have a piece of it, and they are listed in the new plat book published by Mapping Solutions and distributed by the Camden County Soil & Water Conservation District. The 2015 book is available for purchase for **\$40.00** at the Conservation District office located at 275 Old South Hwy 5 in Camdenton. Premium wall maps are also available for \$60.00. For more information contact their office at (573) 346-5125.

This book includes aerial view maps opposite the landownership map pages. The 92 page spiral-bound book features township and range maps of Camden County. These maps include the property boundaries for all rural parcels within the township, the name of the owner and the number of acres owned. Also, there is a handy landowner index for easy cross referencing.

In this new edition you will find an updated Camden County government directory, a School Districts map, a Fire Districts map as well as a Political Townships map and as an added bonus there is an explanation of the public land survey system. Mapping Solutions is the publisher.

This information is valuable to anyone with a need to know who owns land in Camden County. Prospective or adjoining property owners, hunters, foresters, timber and petroleum industry personnel, emergency services and many others would be interested in having a copy.

Now available....2 digital versions of the Camden County landowner maps.

1. **SmartMap** for your smart phone or tablet. A SmartMap allows you to view your location on the map and track real-time movement with the device GPS, you can measure distances and areas as well as add points of interest, photos, position and label names to the map and much more.
