

Douglas County Soil & Water Conservation District  
Rt. 1, Box 50 Ava, MO 65608 Phone 417-683-4816, Ext. 3

**NO-TILL DRILL RENTAL AGREEMENT**

Name \_\_\_\_\_ Phone \_\_\_\_\_

Address \_\_\_\_\_

I agree to the following rules regarding the use of the Douglas County SWCD no-till seeder:

1. Seeder will be used only on fields not of rough terrain. This will be determined by the drill manager upon delivery of the drill. I agree to pay for any damage to the seeder while in my possession that is NOT due to normal wear and tear. This will also be assessed by manager when he picks up the drill.
2. **I will pay \$8.00 per acre as a maintenance fee to the Douglas County SWCD in addition to paying a \$30.00 delivery fee for set-up and delivery. I understand there is an \$80.00 minimum (10 acres) in addition to paying the \$30.00 delivery fee. If I request the drill, then choose not to use it I agree to pay the delivery fee plus mileage.**
3. **I understand that I will be allowed to use the drill for a maximum of seven days. I will be charged an additional surcharge of \$250.00 per week (plus the initial charges) for any time the drill is in my possession exceeding the one week period from date of delivery to me, unless waiver of that time limit has been granted by the SWCD due to weather or other circumstances.**
4. **I understand that interest will be added to my unpaid bill after 30 days, at the rate of 1.5% per month or \$20.00 per month (whichever is the greatest).** If my bill is not paid, or other arrangements made within three months, the SWCD will pursue any and all means within the court system to make collection. Costs incurred collecting will be added to the delinquent bill. If the District has an unpaid balance from a previous rental, the District has the right to refuse service.
5. The greatest potential for damage is TURNING WITH THE DRILL IN THE GROUND. I agree to raise the drill completely out of the ground before turning with it.
6. I agree to use a tractor with sufficient horsepower (NO LESS than 50 HP recommended) for pulling the drill, and to the extent possible will drill cross-slope as opposed to up and down the hill.
7. By signing below, I will accept full responsibility for all damages or accidents that may occur while the No-Till Drill is in my possession and will not hold the Douglas County Soil & Water Conservation District liable. If I, or anyone working for me, move the No-Till Drill from one location to another I agree not to hold the Douglas County SWCD liable for any accidents or injuries that may occur and will take full responsibility for damages.
