

Why Should You Attend?

This annual educational conference and meeting offers opportunities to share the most up-to-date information and ideas to help you better manage your farming operation.

Learn:

- About financial assistance programs from local agriculture agencies
- About new laws and regulations
- How to manage your operation in compliance to new regulations
- How to increase your profit by understanding commodity markets

Greene County Annual SWCD Meeting and MU Extension Conference

In our attempt to provide resources, information, and education to local agriculture producers, the University of Missouri Extension and the Greene County Soil and Water Conservation District have teamed up by combining the Greene County SWCD Annual Meeting with the 88th Annual Extension Soils and Crops Conference. We hope you enjoy the evening!

HOW WE CAN HELP

Greene County SWCD and MU Extension have many services available to landowners, producers, and the public. Some offerings include:

- ◆ One-on-one consultations
- ◆ Research-based data and information Educational conferences, workshops, meetings, and demonstrations
- ◆ Various equipment loans and rentals
- ◆ Soil testing (Extension only)
- ◆ Financial incentives to landowners on approved programs (SWCD only)
