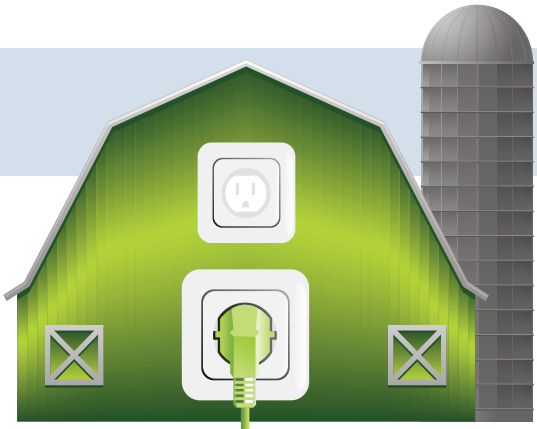
MAESTRO

Missouri Agricultural Energy Saving Team - A Revolutionary Opportunity



MAESTRO is a program funded by the U.S. Department of Energy and operated by the Missouri Department of Agriculture, University of Missouri and EnSave, Inc. The program offers farm Energy Management Plans, Technical Assistance and Home Energy Audits.

MAESTRO looks at ways to save energy on the whole farm including the farm residence through the installation of energy efficient equipment.

> **"The audit helped me realize the potential of energy efficient equipment. I now look at my operation completely different."**
>
> *Steve Shehadey, Dairy Farmer*

Program Highlights:

- **Energy Management Plans** – a $1,500 value for only $250, FREE if you install the recommended equipment
- **Free Technical Assistance**
- **Home energy audit** – a $500 value for only $125, FREE if you install the recommended equipment
- **Incentives up to 75% of the total project cost, not to exceed $5,000**
- **Loan buy down to 3%** - up to $50,000, and
- **75% loan guarantee for loans up to $50,000**

To receive incentives, projects must have 15% energy savings or greater.

For assistance call the MAESTRO TEAM at (800) 732-1399
