

Poster Contest Winners 2011

Forests For People -- More Than You Can Imagine

The annual National Conservation Poster Contest provides kindergarten through twelfth grade students with an opportunity to share their thoughts about soil, water and related issues. It also highlights the educational efforts of the local soil and water conservation districts.

Fifty-four counties in Missouri participated in this year's event, sponsored by the Missouri Association of Soil and Water Conservation Districts. These posters were selected as the state winners because they best convey the idea of the theme, Forests For People -- More Than You Can Imagine. The posters then advanced to the national competition, sponsored by the National Association of Conservation Districts.

Class K-1
Lydia Pulsipher
Fair Play R-1 School
1st grade
Polk County

Class 2-3
Mariah Aldrich
Crane R-III
3rd grade
Stone County
