

Poster Contest Winners 2012

Soil to Spoon

The annual National Conservation Poster Contest provides kindergarten through twelfth grade students with an opportunity to share their thoughts about soil, water and related issues. It also highlights the educational efforts of the local soil and water conservation districts.

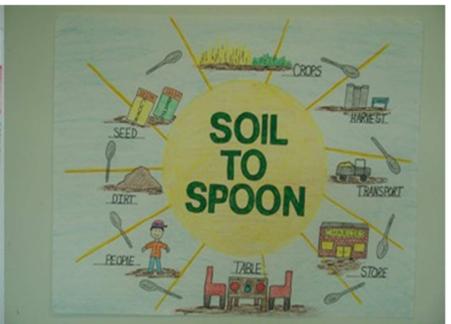

Forty counties in Missouri participated in this year's event, sponsored by the Missouri Association of Soil and Water Conservation Districts. These posters were selected as the state winners because they best convey the idea of the theme, *Soil to Spoon*. The posters then advance to the national competition, sponsored by the National Association of Conservation Districts.

Class K-1
Kameron Green
 1st grade
 Fair Play R-III
 Polk County
