

Prescribed Burn Workshop

April 11, 2015

8:00am – 4:00pm

Lincoln County Health Department

#5 Health Department Drive.

Troy, MO 63379

Attendance is free

SPACE IS LIMITED, REGISTRATION REQUIRED

Participants will learn about the value and purpose of prescribed fire as a land management tool to improve the quality of wildlife habitat. Attendees will receive instruction on how to safely and effectively plan and conduct a controlled burn. The morning portion will be held in the classroom. Weather permitting, a demonstration burn will be conducted in the afternoon so bring clothing appropriate for burning: leather gloves/boots, cotton pants/long sleeve shirt, and eye protection.
