

HOST YOUR MEETING ON THE BARGE

Host your next meeting on Living Lands & Waters' floating classroom barge. The 24 x 48 space is free to use and has modern amenities for presentations, group sessions and entertaining.

Stay indoors in the air conditioning or move your meeting to the outdoor upper deck and enjoy the view.

Show your commitment to environmental stewardship and bring your group to a truly unique facility, built using a variety of recycled/eco-friendly/sustainably sourced materials.

AMENITIES

- Tables and seating for up to 60 participants in classroom area (flexible configuration)
- Upper deck with seating for 20
- Use of full galley space and appliances (12 feet of counter space, dining table for eight, six-burner stove, oven, microwave, coffeemaker, limited space in refrigerator)
- Kitchenette in classroom/meeting facility (six feet of counter space, sink)

- Other items if requested (coolers, serving trays, drink pitchers, serving utensils)
- Male and female restrooms
- ADA accessible facility (in certain locations, inquire for more information)
- Mobile dry erase board on easel
- Two garage doors in classroom for open air experience with river views
- Central A/C and heat
- Accordion door to divide classroom in half
- Power generated by solar photovoltaic system (with generator backup)

A/V Equipment

- PowerPoint projector and screen
- Surround sound speaker system with Bluetooth capabilities
- Wireless handheld microphone for speeches and presentations

Some locations may require a short boat ride to board the barge.
