RENTAL EQUIPMENT POLICY

Before using, read Operators Manual for proper settings, safety and operating instructions.

Check machine before using. Machine must be in good operating condition and all safety equipment installed and functioning properly.

All safety shields must be in place when operating. Contact with moving parts or failure to follow safety instructions could result in serious injury or death.

Wear personal protective equipment as listed in the Operators Manual and dress properly.

Keep all by-standers away from machine and allow no one to ride on machine while in operation.

Use shut down procedure from Operators Manual before servicing, cleaning, repairing, or transporting machine.

Pressurized hydraulic fluids can cause serious injury. Relieve pressure in the hydraulic system before disconnecting or repairing hydraulic lines.

Clean all seed or material from machine before returning.

Report all maintenance issues or concerns when returning machine.

All repairs should be done by trained SWCD personal or certified mechanic, call if experiencing problems.

I have read and understand the above policy.
